

## Berg Fall 2019 Prayer and Praise

Dear Ministry Partners,

It is always so exciting to share with you all that God is doing in His work here among His treasured people, Israel. Thank you for your part that makes all this possible!

**Samuel:** It is so thrilling when God gives us a blessing that we were not expecting! Recently we received an email from **Samuel**, a young man attending a Christian college who is anticipating going into the ministry. He wanted to visit us to see how we minister to Jewish people. We had such a wonderful visit with this fine young man who is very interested in Jewish evangelism! Since we have not had contact with him, we had no knowledge of his burden for Jewish people and interest in Jewish ministry. He shared that he had a very nice visit on an airplane with a Lubavitch, or very religious, son of a rabbi in Pittsburgh. This very religious man invited Samuel to visit his father's synagogue sometime. We intend to go with him, as well as others. Samuel is open to missions and very interested in Jewish evangelism. Please pray that Samuel will always be sensitive to God's leading and will for his life, and that God will accomplish His perfect plan in this special life.

**Holocaust Center of Pittsburgh:**

God has really been blessing our relationship with **Lauren, Director of the Holocaust Center** and **Tanya, Director of Development**. We had previously written about them, relating how God had given us a verbal witnessing opportunity with them a few months ago. They were not

resistant because they know our hearts. **Recently, we delivered a generous love gift to them from The Friends of Israel's Holocaust Survivor Fund. Bible believing Christians from all over the country who love Israel, give to this fund. This gift was designated for a very large commemoration that the Center, along with the University of Pittsburgh, is working on for the 1-year anniversary of the Tree of Life Shooting here last October 27<sup>th</sup>.**

**LEST WE FORGET** is a series of outdoor exhibitions that presents large-scale portraits of local Holocaust survivors. This is intended to directly confront passersby, challenging them to face the past, so that history will never repeat itself, and to raise awareness of the hatred and bigotry present in society today. **This touching commemoration will begin on October 17 and will run for a month.** Please pray that God will challenge the hearts of many Christians who see this moving display and cause them to love the Jewish people and always stand with them, especially for the Gospel's sake!! We, along with many Christians whom we are inviting, plan to be at the commemoration.

**Succot Party, October 21, 6:30 P.M.:**

**Beverly, a very close believing Jewish friend,** lives in a high-rise apartment building where the majority of residents are Jewish. She has had an effective ministry with some of them. God burdened her heart to have a Succot, or Festival of Tabernacles, Party where they would, in a loving and non-confrontational way, be challenged with

Jesus. Please pray for God's wisdom, direction, and strength in the planning of this very important outreach. Please also pray that the Jewish and non-Jewish people of God's choosing will attend, and that Satan will be bound in every area of this very important ministry. Most importantly, please pray for eternal fruit to result!

**We so appreciate your partnering together with us as we endeavor to love Jewish people to life in their Messiah and Savior. Your friendship and love for the Jewish people and us is so special!**

**With love and grateful hearts,**

*Jeff & Arlene Berg*
